

Community BlueSM PPO – Plan 2 Medical Coverage Benefits-at-a-Glance for Plymouth-Canton Community Schools 007010262

The information in this document is based on BCBSM's current interpretation of the Patient Protection and Affordable Care Act (PPACA). Interpretations of PPACA vary and the federal government continues to issue guidance on how PPACA should be interpreted and applied. Efforts will be made to update this document as more information about PPACA becomes available. This BAAG is only an educational tool and should not be relied upon as legal or compliance advice. Additionally, some PPACA requirements may differ for particular members enrolled in certain programs, and those members should consult with their plan administrators for specific details.

This is intended as an easy-to-read summary and provides only a general overview of your benefits. It is not a contract. Additional limitations and exclusions may apply. Payment amounts are based on BCBSM's approved amount, less any applicable deductible and/or copay. For a complete description of benefits please see the applicable BCBSM certificates and riders, if your group is underwritten or any other plan documents your group uses, if your group is self-funded. If there is a discrepancy between this Benefits-at-a-Glance and any applicable plan document, the plan document will control.

Plymouth-Canton Community Schools: Plan 2

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.bcbsm.com or call 1-800-752-1455. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary> or call 1-800-752-1455 to request a copy.

Important Questions	Answers		Why This Matters:
	In-Network	Out-of-Network	
What is the overall <u>deductible</u> ?	\$500 Individual/ \$1,000 Family	\$1,000 Individual/ \$2,000 Family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>Preventive care</u> services are covered before you meet your <u>deductible</u> .		This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	No.		You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ? (May include a <u>coinsurance</u> maximum)	\$6,350 Individual/ \$12,700 Family	\$12,700 Individual/ \$25,400 Family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	<u>Premiums</u> , <u>balance-billing</u> charges, any <u>pharmacy</u> penalty and health care this <u>plan</u> doesn't cover.		Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. For a list of <u>network providers</u> see www.bcbsm.com or call 1-800-752-1455		This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.		You can see the <u>specialist</u> you choose without a <u>referral</u> .

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
